2. [movavi audio converter for windows](#)
3. [movavi video converter windows 7 32](#)

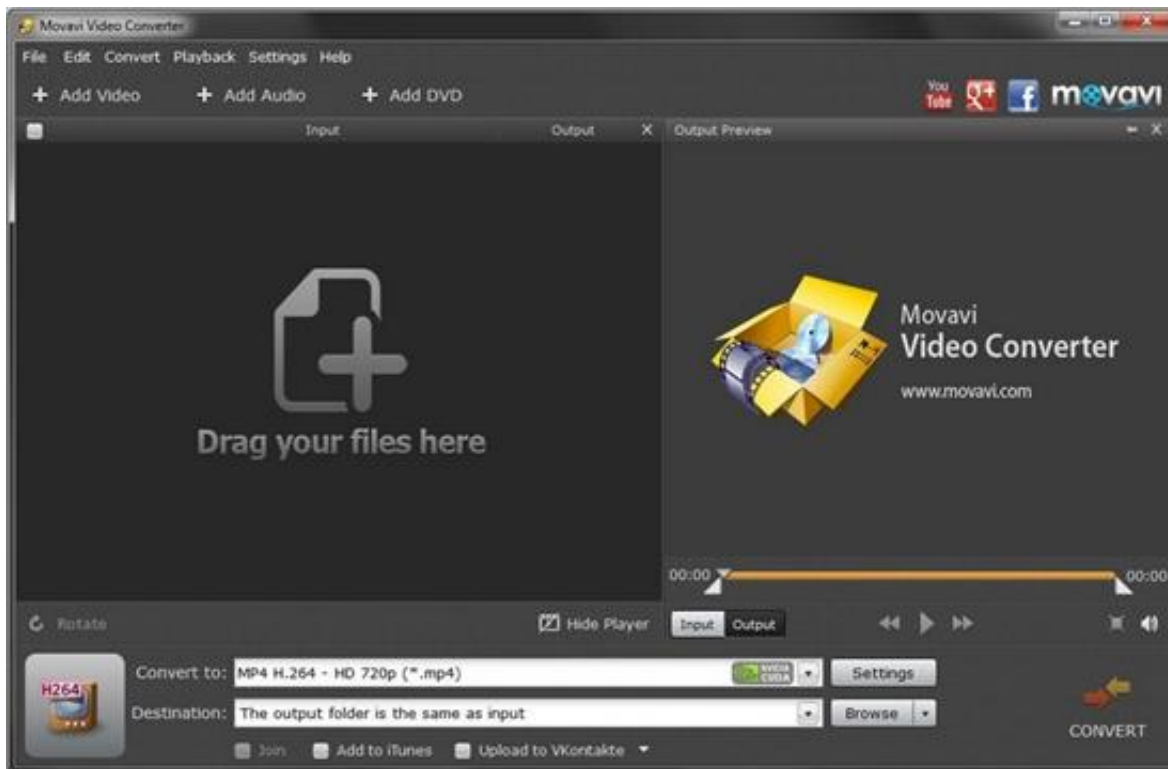

However, it's a shame that you have little control over editing the footage before you convert.. The Movavi Video Converter built-in editor lets you preview footage but doesn't seem to allow editing of it, which is a bit frustrating.. It does, however, allow you to join clips, which is useful if you've downloaded a clip of more than 10 minutes from YouTube..
